Notice of Chapter 13 Bankruptcy Case

12/17

For the debtors listed above, a case has been filed under chapter 13 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors, the debtors' property, and certain codebtors. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although debtors can ask the court to extend or impose a stay.

Confirmation of a chapter 13 plan may result in a discharge. Creditors who assert that the debtors are not entitled to a discharge under 11 U.S.C. § 1328(f) must file a motion objecting to discharge in the bankruptcy clerk's office within the deadline specified in this notice. Creditors who want to have their debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office by the same deadline. (See line 13 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

For more information, see page 2

Debtors must bring a picture ID and proof of their Social Security Number.

Filing deadline: 10/9/18

For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

Filing deadline: 30 days after the *conclusion* of the meeting of creditors

The debtor has filed a plan. The plan is enclosed. The hearing on confirmation will be held on: **5/29/18 at 11:00 AM, Location: 219 South Dearborn, Courtroom 642, Chicago, IL 60604**

Objections to confirmation of the Plan shall be filed at least 7 days prior to the confirmation hearing. If there are no objections, the Court may confirm the plan and allow fees requested by debtor's counsel to be paid through the plan.

If you are a creditor receiving a notice mailed to a foreign address, you may file a motion asking the court to extend the deadline in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.

Chapter 13 allows an individual with regular income and debts below a specified amount to adjust debts according to a plan. A plan is not effective unless the court confirms it. You may object to confirmation of the plan and appear at the confirmation hearing. A copy the plan, if not enclosed, will be sent to you later, and if the confirmation hearing is not indicated on this notice, you will be sent notice of the confirmation hearing. The debtor will remain in possession of the property and may continue to operate the business, if any, unless the court orders otherwise.

The law allows debtors to keep certain property as exempt. Fully exempt property will not be sold and distributed to creditors, even if the case is converted to chapter 7. Debtors must file a list of property claimed as exempt. You may inspect that list at the bankruptcy clerk's office or online at www.pacer.gov. If you believe that the law does not authorize an exemption that debtors claimed, you may file an objection by the deadline.

Confirmation of a chapter 13 plan may result in a discharge of debts, which may include all or part of a debt. However, unless the court orders otherwise, the debts will not be discharged until all payments under the plan are made. A discharge means that creditors may never try to collect the debt from the debtors personally except as provided in the plan. If you want to have a particular debt excepted from discharge under 11 U.S.C. § 523(a)(2) or (4), you must file a complaint and pay the filing fee in the bankruptcy clerk's office by the deadline. If you believe that the debtors are not entitled to a discharge of any of their debts under 11 U.S.C. § 1328(f), you must file a motion by the deadline.
